

Reception Newsletter 10th September 2021

Here is our first weekly newsletter! As this is our first newsletter we are sending a paper copy home. However, from next week they can be accessed on our class page of the school website. We have had a lovely time welcoming the children to Our Lady and St. Edward's. It is great to see how well they are settling and making new friends. This week the children have been getting to know their new friends and teachers. They have enjoyed exploring their new classroom and discovering the exciting things for them to do. We have been busy exploring. These are just a few of the things we have done:

- The children have used different materials to build with and we have seen some imaginative houses, castles and towers which have been made from a variety of construction materials.
- The children have been showing us how to make some toast, load the washing machine and peg the washing on the line in our home role play area!
- The adults have been treated to concerts on the stage in our outdoor area including versions of "Old McDonald had a farm" and "Let it go!"
- The children have enjoyed looking at the pictures in the books in our reading corner and listening to these being read to them.
- We have sung different nursery rhymes together and talked about the ones we like to sing.
- The children have been creative making pictures of themselves and considering how they can turn old recycling items into something new.
- The children have created their own picture of themselves for us to put on the wall.
- This week the children have also enjoyed having their lunch in school for the first time!

I think the children are tired after our busy week! Enjoy the weekend and we look forward to seeing everyone again on Monday for more fun!

Miss Sudell and the Reception Team.
